

2022 CONSTRUCTION PROJECT

Route 1 Off-Ramp (Ramp J), Kittery

Project Highlights

- \$975,000 project - part of \$2.4 million contract
- Awarded to CPM Constructors of Freeport, ME
- Work includes bridge repairs and pavement replacement
- Route 1 Off-Ramp will be closed for up to 28 days
- Closure tentatively scheduled to begin September 12, 2022
- Detour route will be signed during closure

This project includes repairs to the Route 1 Off-Ramp (Ramp J) located at Mile 1.5 on the Maine Turnpike in the Town of Kittery.

The work includes pavement and membrane replacement, approach work and miscellaneous bridge repairs.

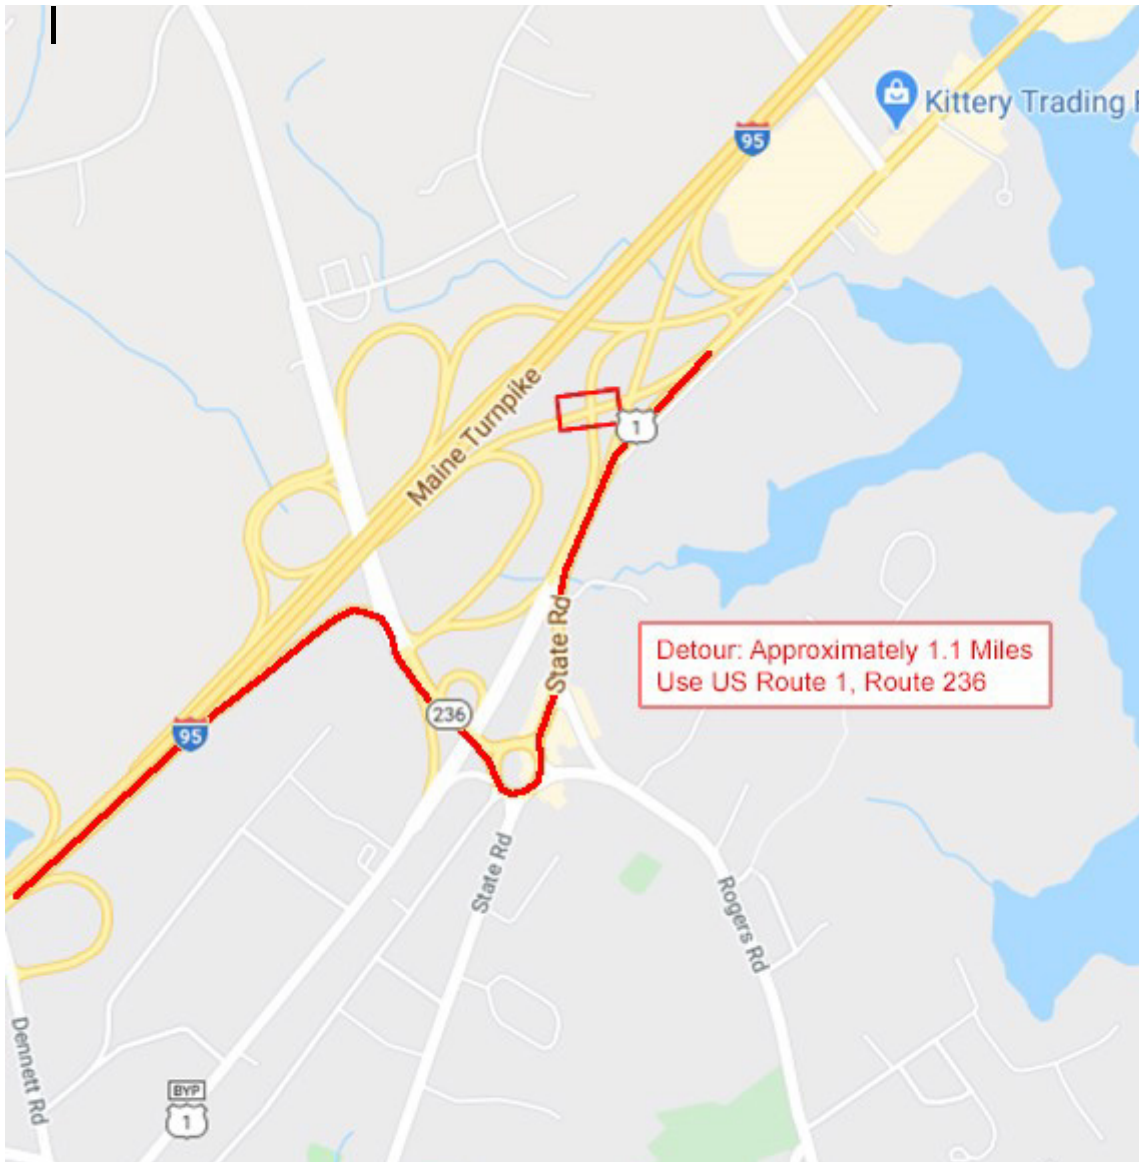

During the construction, CPM will be allowed to close the Route 1 Off-Ramp for a maximum to 28 consecutive days.

The closure is tentatively scheduled to begin on Monday, September 12, 2022. During the closure a detour route will be signed.
