

MAINE TURNPIKE AUTHORITY
ADDENDUM NO. 1
Request for Qualifications
Consultant Contract 2024.106
General Environmental Services

The following changes are made to the Request for Qualifications:

QUESTIONS:

1. Will the rates the Consultant provides apply for the entire five-year contract, or is there an opportunity to adjust rates annually.

Answer: Work will be assigned under the contract by a series of Task/Projects Orders for a defined scope and period of time. During the time of the Task/Project Order is active, rates are fixed unless the Task/Project Order is amended to add value to the Task/Project Order.

2. What specific information should be included in the Statement of Interest?

Answer: In the Statement of Interest, the Consultant should introduce their company and detail their interest in performing work for the MTA.

3. For the air emissions training related to the Authority Paint Booth, will this training be conducted by the qualified vendor mentioned in the proposal, or would the Consultant be responsible for providing it?

Answer: The Consultant will not be responsible for providing air emissions training to the Authority Paint Booth. The Consultant may be requested assist the MTA in developing training materials.
