Use the Link Below to Access Board Meeting Audio through Microsoft Teams:

Link

Please Observe the Following Guideline for Participation:

- **Register using your real name to access the meeting *(i.e. no pseudonyms or screen names please).***

- **Your microphone and camera will be silenced until the public participation portion of the meeting. To speak, raise your hand by pressing the button with the hand icon *(usually on the top menu bar of your screen)*.**

- **When you are recognized, press the button with the microphone to turn on your microphone to speak.**

- **Please keep comments and questions respectful, and related to topics on the agenda. Disrespectful comments or comments unrelated to this meeting's business will be silenced.**

- **Please limit comments to one minute.**
