

MAINE TURNPIKE AUTHORITY
ADDENDUM NO. 1
Request for Qualifications
Consultant Contract 2019.104
BRIDGE AND HIGHWAY SERVICES

The following questions have been submitted. Answers to the questions are noted. Consultants shall utilize this information in preparing their Statement of Qualifications.

1. Page 1 of the RFQ indicates that that the Appendix shall be limited to ten pages, and can include project descriptions and resumes of key personnel. Page 3 of the RFQ states that consultants “shall include resumes for each employee that is proposed to be utilized in the Appendix.” Due to the request on page 3, will the Authority allow resumes to be excluded from the ten-page limit assigned to the Appendix?

Answer: The Appendix shall include resumes for each employee that is proposed, which would be employees that the Consultant considers to be key personnel. Resumes can be reduced and summarized if necessary. The ten-page limit assigned to the Appendix remains.

NOTES: The above items shall be considered as part of the submittal.

All Consultants are required to acknowledge the receipt of the Addendum No. 1 by signing below and faxing or emailing this sheet to Nate Carll, at 207-871-7739 or ncarll@maineturnpike.com.
