

The Volume Based Family Discount will be applied to tolls calculated from the standard Maine *E-ZPass* rate beginning November 1, 2012. The discount will be applied as follows:

30 to 39 account trips per month	10% discount applied to all monthly account trips
40 to 49 account trips per month	20% discount applied to all monthly account trips
50 to 59 account trips per month	30% discount applied to all monthly account trips
60 to 69 account trips per month	40% discount applied to all monthly account trips
70+ account trips per month	50% discount applied to all monthly account trips

Benefits of the new discount plan include:

- No requirement to sign-up for the program. Discounts will automatically apply to all Maine *E-ZPass* accounts based on trips.
- The MTA will no longer require customers to make advance quarterly toll payments.
- Discounts will automatically be applied to all eligible Maine *E-ZPass* accounts after each month for every trip taken that month.
- Discounts will be calculated by adding trips of all vehicles registered from each Maine *E-ZPass* account.

All our current commuters will be receiving details in the mail during the month of September.

Please contact the E-ZPass Customer Service Center: 1-888-MTA-PASS (1-888-682-7277) or ezpass@maineturnpike.com for additional information on the new discount plan
