Questions:

The following are questions submitted to the Maine Turnpike Authority in writing. Answers to the questions are noted. Bidders shall utilize this information in preparing their bid.

Question 1: On plan sheets 27, 48, and 56 of the contract plans there are multiple callouts for Bridge Drain Type A1 but no item in the schedule of items. How are these bridge drains going to be paid?

Response: *The bridge drains are incidental to the concrete deck item, as noted in MTA Supplemental Specifications Section 502.19:*

“502.19 Basis of Payment

The accepted work done under structural concrete, of the classes and for the types of work required, will be paid for at the Contract unit price per cubic yard, or at the Contract lump sum price, for the respective Contract items involved. Payment for both the unit price and the lump sum price items will be full compensation for furnishing and installing bridge drains, ...”

Note: The above items shall be considered as part of the bid submittal.
